## A Little About Us . . .

*The Custard Stand originally opened with our first location in Webster Springs, WV on February 1, 1991. We are a full service dairy bar with no indoor seating, but we have a 6 table covered pavilion. The idea to manufacture the hot dog chili we make for retail sale came about in August 2002 and we brought Custard Stand Hot Dog Chili to the retail market in June 2003. We expanded our restaurant locations with the addition of The Custard Stand-Flatwoods in March 2009. A full service menu with indoor seating and a covered pavilion with 3 tables are available for your dining enjoyment at this location. We pride ourselves as a family owned West Virginia business in a clean nostalgic atmosphere, with great customer service and made to order food. Thank you for choosing to stop in and see us, and remember at The Custard Stand we are what fast food used to be!*
